## 2021 ANNUAL REPORT

### Greetings!

As we concluded the year 2021, we were still dealing with the challenges of the COVID pandemic. Once again, we provided over \$2 million dollars in benevolent care. In fact, we provided \$2.7 million to those in our care who have limited funds. We are fortunate that through the years, our supportive donors have remembered Allegheny Lutheran Social Ministries (ALSM) as they completed their estate planning.

Again in 2021, most of our time focused on dealing with the obstacles of the COVID-19 pandemic as we complied with the precautions of our regulating bodies to enable the safety of our staff and residents. As we dealt with diminished census in our programs and campuses because of these regulations, as well as staffing limitations, we continued to follow our mission of service. Yet in spite of the pandemic, we accomplished the following:

- The cottage expansion continued on the campus of The Oaks at Pleasant Gap.
- The Annual Jim Meadows Memorial First Commonwealth Bank Golf Outing raised \$48,000.
- We again served more than 3,000 people in our programs that span the generations throughout the eight counties of West Central Pennsylvania.
- Our staff team members were recognized for their service during the pandemic.
- ALSM continued to be the only Lutheran not-for-profit organization that is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) in PA.

This update is a brief overview of ALSM's commitment to serve people. We are blessed that we have dedicated staff team members who respond every day to the needs of those persons we serve. We are also fortunate to have folks who support our mission.

Many thanks for your prayers and financial support. We ask that you continue to keep us in your prayers.

In service,

Patricia Savage  
President

The Rev. Ron Miller  
Chair

# Integrity:

We hold as a sacred trust each life we touch, honoring our promises, acting ethically in our practices and being good stewards of our resources.

◀ Our Auxiliaries provide important life - enhancing “extras” by way of items and experiences for residents and program participants. ▼

◀ The Touching Lives Pathway brick donors and annual golf outing proceeds help to support our more than \$2 million in annual benevolent care. ▶

# Dedication:

We are committed to our Christian principles and dedicated to those in our care.

- ▼ Special worship services and much-loved traditions help make the holidays more meaningful for residents and staff team members.

- ▲ Staff team members are creative in delivering innovative programs to residents, including socially distanced hallway concerts during the pandemic.

# Improvement:

We continuously strive to serve others better.

Residents of The Lutheran Home in Hollidaysburg enjoyed the virtual classes offered through a partnership with St. Francis University. ►

Allegheny Lutheran Social Ministries was quick to distribute the life-saving vaccine to residents and staff team members, which also helped protect those beyond our walls. ▼

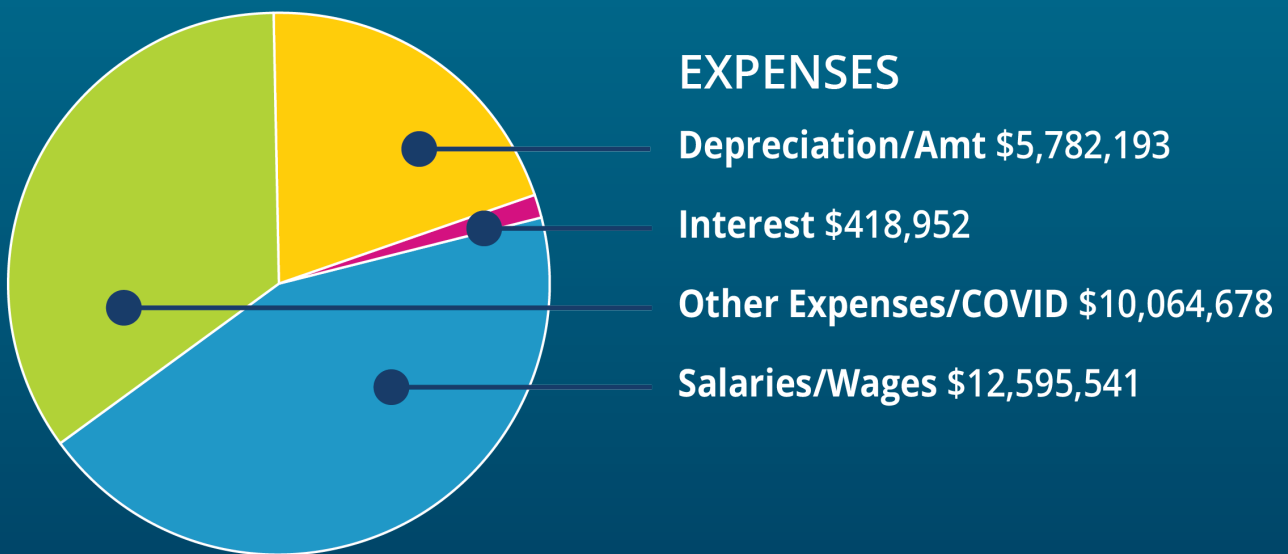

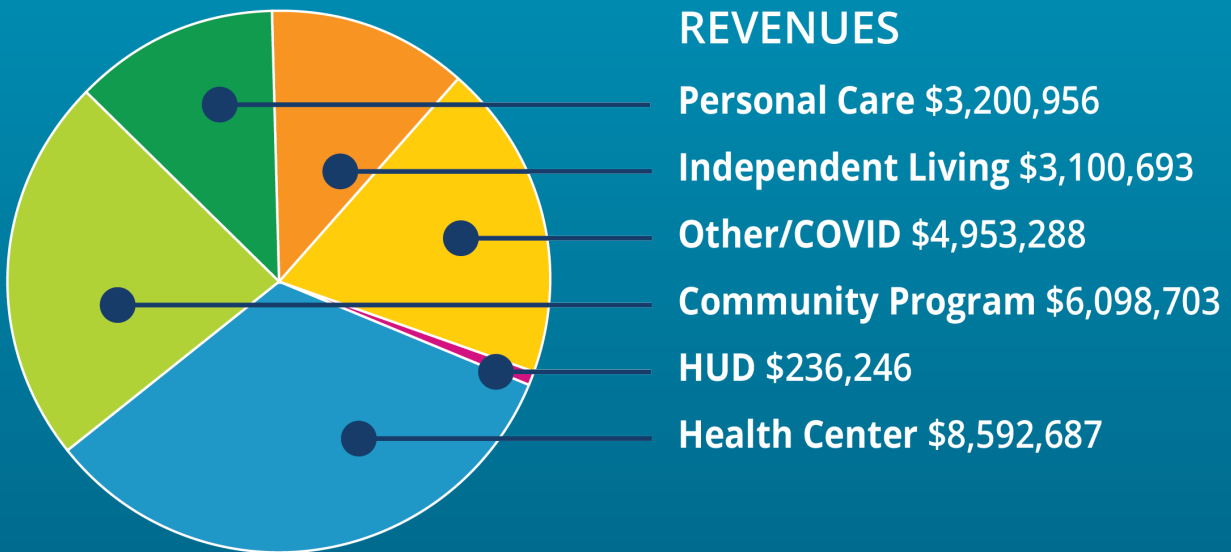

An outdoor venue met one of the challenges of providing entertainment (now a preferred experience!) during the pandemic. ▼

## 2021 REVENUES & EXPENSES

*ALSM Provided \$2.7 Million In Charitable Care In 2021.*

## Community Support: Giving Back

The mission of Allegheny Lutheran Social Ministries is to serve people through a ministry of love, compassion and mercy in the name of our Lord, Jesus Christ. As part of that mission, we care for those individuals who have outlived their funds to pay for their care.

In addition to serving those in our care, we believe strongly in giving back to the community. The programs and activities that we provide help to benefit our community socially, economically and educationally and help to fulfill our mission as a charitable organization.

Below are some of the organizations that ALSM supported in 2021. In addition to this list, there are many more ways that ALSM contributes to community organizations including, but not limited to, participating in walks to raise funds or residents joining together to serve their community, good works are being done every day by the ALSM family. Our team members give their time as Sunday school teachers, scout leaders, civic and business organization members, and other activities designed to enhance and touch lives.
